Shinya Fukami : 深見 真也

## < BIOGRAPHY >

Shinya Fukami began his career in hair training as a hair dresser in his hometown of Shizuoka, Japan.

He found it interesting to create hairstyles. After 8 years of salon work, he moved to London in 2005.

As soon as he arrived, he joined Fashion Weeks in Europe. It gave him a deep impression on his creativity and brought himself to the next level.

As soon as he returned to Tokyo in 2011, he started working as a freelance hair artist.

He has done Vogue, Elle, L'official and other famous fashion magazines and has worked with various commercial works and advertisings in Japan and also other countries.

He is available in Japan and internationally for commission.
